PROFESSIONAL SUMMARY

Results-driven **IT & Administration Professional** with 2+ years of experience supporting IT infrastructure, office administration, ERP systems, and commercial export operations. Proven track record in hardware and software troubleshooting, Excel-based data reporting, EPB export data submission, A-Challan preparation, and executive-level administrative coordination. Adept at liaising across multi-disciplinary teams to maintain strict data confidentiality, operational accuracy, and seamless business workflows.

WORK EXPERIENCE

ASIAN GROUP

March 2024 – Present

IT Executive (Administration)

- Provide end-to-end technical support, managing hardware/software troubleshooting, system maintenance, software deployment, and peripheral support for workstations to ensure minimal operational downtime.
- Manage commercial documentation, including export invoices, A-Challan generation, EPB export data submission, and audit-ready document verification with high accuracy.
- Direct administrative operations and document control, preparing executive-level business reports, files, and confidential records to support cross-functional business priorities.
- Collaborate closely with IT, Administration, Commercial, and Management teams to streamline daily workflow efficiency and operational communication.
- Develop Excel-based tracking systems and data reports for export monitoring and inventory oversight.
- Provide executive assistance to the Managing Director, handling scheduling, priority communications, and confidential administrative tasks.

FORUM - BGMEA

2024 & 2025 Election Campaigns (2 Terms)

Executive IT & Admin

- Spearheaded IT and technical operations for major election campaign activities, ensuring reliable digital infrastructure and data synchronization.
- Administered campaign voter databases, data entry operations, voter records, and digital communications while maintaining strict data confidentiality.
- Coordinated high-profile election meetings, campaign events, print material logistics, and cross-team communications.
- Maintained financial tracking records, campaign expenditure reports, and supporting legal/administrative documentation with discretion.

BANGLALINK DIGITAL COMMUNICATIONS LTD.

December 2023 – January 2024

SME Officer (IT)

- Maintained internal IT systems, user access provisioning, software credentials, and database integrity within Enterprise Sales & Marketing Operations.
- Ensured systematic data validation, record updates, and routine technical reporting to support daily business analytics.
